

Huntingdon & Godmanchester's Twin Town Visitors Come to our TOWNS

The Huntingdon and Godmanchester Twinning Association have hosted an Annual Meeting of our Twin Towns, and a Youth Festival.

48 Students from Huntingdon & Godmanchester, Wertheim (Germany), Szentendre (Hungary), and Gubbio (Italy) came to compete in various sports

These included Indoor Athletics, '5 a side' Boys and a '5 a side' Girls Football competition - 'round robin' competitions played on the all-weather surface, and Swimming. The Young People also played in a Table Tennis competition, and "had a go" at the Huntingdon Gymnastics Club!

The Young People stayed at **Grafham Water Centre**; in the evening, the students engaged in the Centre's team building expertise doing various challenges.

Malcolm Lyons said "It was a delight to see all the Young people engaging in the Sports Competition. The Winners were the Team from Huntingdon & Godmanchester, who were selected from Hinchingsbrooke & St. Peters Schools. I also saw the excellent friendship that happened between all visiting Young People - I am sure that there will be many Facebook exchanges in the future! "

The visiting adults had a meeting , and supported the Youth Teams. A **Twin Town meeting**, with the visiting adults, discussed future youth exchange programmes, cultural visits, and Youth Festivals. For this event, we are grateful to the Huntingdon Freeman's Trust for financial support in staging the Youth Festival of Sport and our local business sponsors.
