A Merry Christmas and Happy New Year to you all.

Perfect Stocking Filler by David Brown

'I have recently published a book entitled "A Love Affair with Hungary". This story takes you on a journey through an adopted land. Discovering some of the history and geography of a beautiful people and their country.

It tells how we fell in love with Hungary and how Sara changed our lives. It relates some of the experiences we enjoyed along the way and the joy of building a relationship with Sara our "adopted" Hungarian daughter. A story of how lives can be changed for the better.

Much of the story relates to Twinning, so will hopefully be of interest to some members.

The book costs £6 and I can deliver it to any one who is interested in buying a copy. Contact details;
