

HGTA Bulletin November 2017

Gearing up for the Festive Season

The Huntingdon & Godmanchester Twinning Association have announced their plans for celebrating the Festive Season with their popular Christmas Dinner and appearances at two Christmas lights events on a single night!

Friday 1st December will see HGTA members manning charity stalls at the Huntingdon Town **Christmas Lights event** and the Godmanchester Lights on the same night. The Huntingdon stall will offer a winning combination of mulled wine and mince pies plus their ever popular tombola. A giant festive tombola will also be offered at the Godmanchester event.

The Christmas Dinner at the Town Hall

is earlier this year, being scheduled for Saturday 25th November to avoid clashing with the Town's Christmas Market the following weekend. A smoked salmon and prawn starter will be followed by a delicious seasonal carvery and a choice of Christmas pudding or cheesecake.

Local band 'Around the Block' will provide music on the night. Details and tickets are available from 01480 454801.
