

Sandwich Competition

On Friday 22nd June members of the social committee entered a competition run by the Town Council to commemorate the tri-centenary of Lord Sandwich. HGTA entered four categories one for each of our twin towns and made fillings in the colours of the respective flags.

We won with two of our sandwiches, our German entry 'The Full Montague' (black, red, yellow) and overall winner our French entry 'Le Liaisons Dangereuse' (red white and blue) Our other two entries 'The Italian Job' and 'Hungarian Rhapsody' were very similar in colours although using different ingredients but didn't have the same impact. An enjoyable morning and worthwhile to see our efforts recognised. Recipes for the winning entries available on request!
